Last updated **Sep 25, 2018**

CEO Today is pleased to introduce a new feature in partnership with [Quintessentially Estates](#), Luxury Property of the Month. We'll be offering insight into our handpicked property of the month, every month. We'll take a look at the overall design, features and the details that make it worth the luxury price tag.

Kicking off our first Luxury Property of the Month is this immense jewel in the heart of California, US.

- 770 Paseo Miramar, Pacific Palisades, Los Angeles
- 7 bed, 9 bath
- 7,000 sq ft
- £6,586,722 / \$8,880,000

A meticulously crafted & newly built Architectural home designed by renowned architect Anthony Zubick, AIA. This gated & private 7 Bed, 9 Bath entertainer's home offers unobstructed & breathtaking ocean views from the Queens Necklace to Downtown LA. A thoughtfully designed open floor plan offers panoramic views from nearly every room. A stunning Chef's kitchen featuring Wolf and Miele appliances seamlessly flows in to the deluxe dining & family rooms.

A floating staircase leads to 4 bedrooms & a luxurious master wing with dual closets, a wrap around deck & world class master bath.

Pocketing Fleetwood doors open to an expansive flat yard with a full kitchen, pool & spa, fire pit, mature trees, & more. There is a rooftop observation deck with 360° views which completes this truly rare & special offering.

Located in a coveted neighbourhood, this tranquil street is highly sought after by celebrities. This property is sure to meet the best of tastes and cater to any luxury living a CEO could ever want or need.
