According to Penny Mosgrove, CEO of Quintessentially Estates, Sagaponack (close to the East Hampton Airport a choice for the private jet traveler and near Bridgehampton, making it closer to the city) is the preferred zip code. It's for the exceptionally affluent clientele who demands customization, "a bespoke experience" in all aspects of their Hamptons stay. QE is global, assisting clients near and far looking for the million dollar property to sell or acquire—whether coming from Manhattan, Malibu or even Hong Kong.
