The palatial master bedroom is a relaxing sanctuary with balconies overlooking the backyard. Elegant & thoughtful details throughout include rough stone/polished marble, gold leaf, antiqued mirrors and walnut floors.

The backyard provides an unparalleled private setting for entertaining with lush landscaping, relaxing waterfalls, lagoon style pool, BBQ & fire pit.

Penny Mosgrove, CEO of Quintessentially Estates comments: *"746 Norway Lane is a beautiful property just moments way from The Getty, Brentwood Village and Santa Monica.*

"In prime Brentwood, it is a who's who game, the likes of Marilyn Monroe lived in the area and now its residents include: Arnold Schwarzenegger, Gisele Bundchen, Billy Bob Thornton and Trisha Yearwood. With great schools on the doorstep, I suspect this property will be snapped up by a family already familiar with the area."
